# Results of the 2013 CQ WW WPX SSB Contest

#### BY TERRY ZIVNEY,\* N4TZ

ven though the 2013 CQ WPX WW SSB Contest fell on Easter weekend, we received a record number of logs this year, 5461, up from the 5365 received last year. The number of logs submitted has more than doubled in the last ten years, with nary a down year in the decade. If only the stock markets were so reliable!

For many, Easter is a time for family activities, with ham representing the main dish on the Easter table. Many amateurs found room for another helping of "ham" this holiday.

Andy, KU7T, did a multi-single activity in Washington State. "My 9-year-old daughter Emma ran her first contest and did about 100 QSOs. We did a semi-serious effort in between Easter and other weekend activities. It was a blast to see my daughter work the radio and computer."

Brian, N8WRL, reports from South Carolina: "My high-school-junior daughter (KJ4OTY) and I made our first serious attempt at contesting in this past weekend's WPX phone. We had an absolute blast and I was delighted that she was interested in doing it with me! Most of our operating was one of us logging while the other operated. I can tell you her voice was gold in the runs—not many YLs!" Brian and Olivia had the top Multi-Operator Single-Transmitter score in the USA W4 region, with low power yet!

\*e-mail: n4tz@cqwpx.com

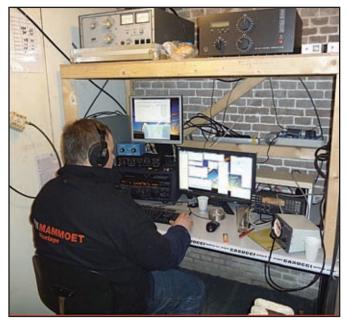

Olivia, KJ4OTY, and proud dad Brian, N8WRL, made a fine showing in their first serious contest winning M/S in W4, with low power!

Joe, IT9BLB, in Sicily notes: "For us, Easter weekend and WPX are not the best to drop together, so we decided to mix the traditional stay together with our families, typical barbecues, and a big contest. Having some active XYLs (IT9APL and IT9ZRU) and some other ham friends who came just for the fest, we decided to run a fun Multi/Multi giving them the opportunity to be really part of the contest. For some reason, it was also decided to

Olivier, ON4EI, erected this fine field-day-style antenna farm for his operation as EI1A primarily powered by green energy (see the wind turbine and the solar cells?). What other kind would you expect from the Emerald Isle?

Steef, PA3S, at the run station of PI4CG.

use our Elmer's call, IT9ZGY, instead of the usual IR9Y. Several newcomers had many hours of nice contesting for their first time: Real fun for everybody!" I'll bet it was real fun to run up with over 20-million points in the M/M category.

Those who dislike contesting say it is about the Haves and the Have Nots. . . . Well, it is. There are those having fun and those who are not. You don't have to win to have fun.

Witness the excitement found in the contest by Elizabeth, KI6TIB: "Made my second and third HF contacts ever, on my own and without my Elmer!"

Many people participate in contests because it is an easy way to collect contacts toward various awards. The CQ WPX SSB Contest received logs from more than 150 countries around the world, many sporting unusual prefixes. D4C set a new prefix-

worked mark with 1926 prefixes. As might be expected, the two top single-operator scores led the way amongst individual operators with 1433 and 1429 prefixes, respectively. CR3A had an amazing 1320 prefixes on 15 meters alone. 140 stations worked at least 1,000 prefixes. It takes 300 prefixes confirmed on SSB to qualify for *CQ* magazine's WPX award (see the rules elsewhere in this issue). 1,363 stations had at least 300 prefixes worked during the contest weekend. I imagine that eQsl.cc and ARRL's LoTW websites got quite a workout after all of the activity this year's contest generated.

Still, competition is at the heart of contesting. The CQ WPX Contest provides many levels of competition- for a plaque, for a spot in the top scores box, with the operator just ahead of you in the box or the call area, or with your own score from last year. With over 5,000 competitors, and many more participants who didn't send in logs, there are numerous examples. Just a couple: UA9OMT edged YT8T by 1,660 points out of over 1.46 million for seventh place, 15 meters low power—a difference of less than one mult. E75A edged ER2RM by 474 points out of 69,000 for fifth place, 160 meter low power—just a couple of busted callsigns difference. You can find out how you, and your competitors, did at ,www.cqwpx.com> where the full line scores of all the categories will be posted, along with a searchable database of scores for all past CQ WPX contests. You will also find public logs from all the competitors to help you plot your strategy for next year. You are looking forward to next year, right?

#### Single-Operator All Band

Some people might think that Jim, W7EJ, had a tough decision to make. As the operator of CN2R, he holds all of the WPX SSB single operator world records except for the 10-meter category. But, if he tried to capture the 10-meter record for a clean sweep, he might lose his prestigious All-Band record to Tom, W2SC, at his 8P5A station. In the end, Jim chose to defend his All-Band title and set a new record, improving his 2012 total by nearly 3-million points. Tom could only increase his North American record by 2.3-million points. As it turned out, PX5E's top 10-meter score was over 2.5-million points less than his 2012 record, so it appears Jim made the correct choice all the way around!

Three Canadians made the world top ten, led by CF3A (VE3AT op) in fourth place overall. KJ3X/4 (K4XS op) in Florida was tops

The operators of PI4CG: PD4DX, PDØMP, PD2EDR, PA3S, PD2PKM, PD2GSP, PA7CRX. They gave PI4DX a real run for their money in the M/2 category.

#### 2013 WPX SSB TROPHY WINNERS AND DONORS

2013 WPX SSB TROPHY WINNERS AND DONORS

SINGLE OPERATOR ALL BAND

WORLD: Stanley Cohen, W8QDQ Trophy. Won by: CN2R operated by James P Sullivan, W7EJ
WORLD Low Power: Caribbean Contesting Consortium Trophy. Won by: Rob Van Geen, NH6V
WORLD QRP: Phil Krichbaum, NØKE Trophy. Won by: W7manol Caires, W2LV
USA: Atilano de Oms, PY5EG Trophy. Won by: KJ3X/4 operated by Bill Kollenbaum, K4XS
USA Low Power: Terry Zivney, N4TZ Trophy. Won by: NV1N operated by Edward Sawyer, N1UR
USA QRP: Doug Zwiebel, KR2Q Trophy. Won by: Randy Shirbroun, NDØC
USA Zone 3 High Power: Lauri "Mac" McCreary, KG7C Trophy. Won by: Brad Wallingford, K7ZSD
USA Zone 3 High Power: Society of Midwest Contesters Trophy. Won by: George A. Demontrond III, NR5M
USA Zone 4 Low Power: Society of Midwest Contesters Trophy. Won by: Greg Chapoton, NA8V
USA Zone 5 High Power: Paul Obert, K8PO Trophy. Won by: RT4F, operated by Pavel Bagachev, RK4FD
EUROPE High Power: Ed Sawyer, N1UR Trophy. Won by: B11A, operated by Pavel Bagachev, RK4FD
EUROPE Low Power: Ed Sawyer, N1UR Trophy. Won by: B11A, operated by Olivier Vandenbalck, ON4EI
EUROPE QRP: Rick Williams, VE9HF Trophy. Won by: SVBBB, operated by Uriare Milosevic, YT1AD
ASIA: Chris Terkla, N1XS Trophy. Won by: UP2L, operated by Grigoriy Smirnov, UN9LG
NORTH AMERICA: Albert Crespo, F5VHJ Trophy. Won by: B45A operated by Tom Georgens, W2SC
NORTH AMERICA: Low Power: Ed Sawyer, N1UR Trophy. Won by: B45A operated by Tom Georgens, W2SC
NORTH AMERICA Low Power: Phill Krichbaum, N0KE Trophy. Won by: Little Fullius Fazier, K6ZM Memorial Trophy. Won by: Atsuo Sakuma, 5W1SA
OCEANIA Lingh Power: Phillip Frazier, K6ZM Memorial Trophy. Won by: Atsuo Sakuma, 5W1SA
OCEANIA Low Power: Phill Krichbaum, N0KE Trophy. Won by: Little Fullius Fazier, K6ZM Memorial Trophy. Won by: Atsuo Sakuma, 5W1SA
OCEANIA Low Power: Sakatchewa Contest Club Trophy. Won by: CF3A operated by John A. Fore, W6LD
SOUTH HAMERICA: Andrew Faber, AE6Y Trophy. Won by: P40L operated by John A. Fore, W6LD
SOUTH HAMERICA: Andrew Faber, AE6Y Trophy. Won by: CF

CANADA High Power: Saskatchewan Contest Club Trophy. Won by: CF3A operated by Ron Vander Kraats,

CANADA Low Power: Paul Cassel, VE3SY Memorial Trophy, Won by: Steven Goldberg, VA3SWG JAPAN: Hamad Alnusif, 9K2HN Trophy. Won by: Masaki Okano, JH4UYB

#### SINGLE OPERATOR, SINGLE BAND

WORLD: Steve Merchant, K6AW Trophy. Won by: CR3A operated by Luis E.P. Gomes, CT3DL (21 MHz) WORLD 28 MHz: Jorge Taboada, EA9LZ Trophy. Awarded to: PX5E operated by Sergio Lima de Almeida,

WORLD 28 MHz Low Power: Six Stars Contest Station LS1D Trophy. Won by: ZY2WPX operated by Guilherme Vaz. PU2LEP

WORLD 21 MHz: Stuart Santelmann KC1F Memorial (W3UA/RA3AA sponsor) Trophy. Won by: PW5G operated WORLD 21 MHz: Stuart Santelmann KC1F Memorial (W3UA/RA3AA sponsor) Trophy. Won by: PWSG operate by Walter Vicente Gomes Filho, PPSWG
WORLD 14 MHz: Jorge Taboada, EA9LZ Trophy. Won by: P41A operated by Jean-Pierre Lauwereys, P43A
WORLD 7 MHz: Jorge Taboada, EA9LZ Trophy. Won by: Y78A operated by Dusan Ceha, YU1EA
WORLD 7 MHz: Love Power: Neal Campbell, K3NC Trophy. Won by: Daniel Nunes, YY4DNN
WORLD 3.7 MHz: D4C Contest Team Trophy. Won by: Omari Odoshashvili, 4L5O
WORLD 1.8 MHz: UA2 Contest Club Trophy. Won by: Algirdas Uzdonas, LY7M
USA 28 MHz: Maurice Schietecatte, N4LZ Trophy. Won by: K5MM operated by Chuck Dietz, W5PR
USA 21 MHz: Maurice Schietecatte, N4LZ Trophy. Won by: K74Z operated by Jay E. Camac, N4OX
USA 14 MHz: Charles Wooten, NF4A Trophy. Won by: John Bayne, KK9A/4
USA 7 MHz: Yanke Clipper Contest Club Trophy. Won by: P4 Sopnier, W5WMII

USA 7 MHz: Yankee Clipper Contest Club Trophy. Won by: Pat Sonnier, W5WMU
USA 3.7 MHz: Bernie Welch, W8IMZ Memorial (WB8MRU sponsor) Trophy. Won by: Steven Sussman, W3BGN EUROPE 14 MHz High Power: SJ2W Contest Team Trophy. Won by: SJ2W operated by Mikael Larsmark,

SM2WMV EUROPE 3.7 MHz High Power: Ranko Boca, 403A Trophy. Won by: DR1D operated by Alexandre Correia, DL1NX

#### SINGLE OPERATOR ASSISTED

WORLD: Emir-Braco Memic, OE1EMS Trophy. Won by: P40Z operated by Helmut Mueller, DF7ZS USA: Alabama Contest Group Trophy. Won by: Gene Shablygin, WU3A/1 EUROPE: Martin Huml, OL5Y Trophy. Won by: LX7I operated by Phillipe Lutty, DJ80G

OVERLAY CATEGORIES
WORLD Tribander/Single-Element: Helmut Mueller, DF7ZS Trophy. Won by: Yuri Onipko, VE3DZ USA Tribander/Single-Element: Paul Newberry, N4PN Trophy. Won by: NX0X/4 operated by Paul H. Newberry,

Jr., N4PN
USA Tribander/Single-Element Low Power: Al Josza, KG1E Trophy. Won by: Peter Bizlewicz, KU2M Europe Tribander/Single-Element: Roger Miner, K1DQV Trophy. Won by: Igor Vachevsky, RT4RO WORLD Rookie: Val Edwards W8KIC Memorial (K3LR sponsor) Trophy. Won by: Victor Ivanov, UN8GV

### **MULTI-OPERATOR, SINGLE-TRANSMITTER**

WORLD: Latvian Contest Club Trophy. Won by: P33W operated by RX3APM, RL3FT, UA4FER, R3DCX, RW4WR, and RA3AUU

USA: Steve Bolia, N8BJQ Trophy. Won by: K1LZ operated by K1LZ, AE2W, K3JO, N8BO, and W1UE AFRICA: Rhein Ruhr DX Association Trophy. Won by: EB8AH operated by EA5DY, EA8AH, EA8ZS, and EA8RM ASIA: W2MIG Memorial (NX7TT Sponsor) Trophy. Awarded to: H27A operated by R2AA, 5B8AD, RN3TT, R9WR,

UA9SCX, UU6JR, UA9CDV, RK3QS, and RT3T EUROPE: Tonno Vahk, ES5TV Trophy. Won by: EI7M operated by EI3JE, EI8IR, EI3JZ, MØWLF, EI5GM, and MØMAT

NORTH AMERICA: North Pole Contest Group Trophy. Won by: WP2Z operated by K8MJZ, WP2XX, K9VV, and NQ6N

## MULTI-OPERATOR, TWO-TRANSMITTER

WORLD: Ken Adams, K5KA Memorial Trophy. Won by: RF9C operated by R9DX, RA9CMO, RA9FW, UA9CDC, UA9CIR, and UA9MA

USA: Florida Contest Group Trophy. Won by: K9CT operated by K9CT, K9PW, K9ZO, KB9UWU, and WE9V AFRICA: Walter Skudlarek, DJ6QT Trophy. Won by: ED9Z operated by EA7HZ, EA7JB, EA7RU, and EA9LZ EUROPE: Bernd Och, DL6FBL Trophy. Won by: TM6M operated by F1AKK, F4DXW, F5MUX, F8DBF, F8FKJ, F8FTY, and TU5KG

MULTI-OPERATOR, MULTI-TRANSMITTER
WORLD: Gail M. Sheehan, K2RED Trophy. Won by: D4C operated by I4UFH, IZ4DPV, CT1ESV, and HB9DUR
USA: Dale Hoppe, K6UA Memorial Trophy. Won by: WX3B operated by WX3B, K3WI, N8IVN, NE3K, K3AJ, WA3AER, NH7C, KB3CS, and N3YIM

EUROPE: Rick Dougherty, NQ4I Trophy. Won by: DR1A operated by DJ7EO, DL1QQ, DL2YL, DL3DXX, DL4NAC, DL6FBL, DL8DYL, DL9DRA, DM3DA, JK3GAD, PA1TX, SP3LPG, and UU4JMG

#### **CONTEST EXPEDITION**

WORLD: C6APR Memorial (PT7ZZ sponsor) Trophy. Won by: T07BC operated by Hartwig Kauschat, DL7BC

in the USA and finished tenth worldwide. KQ2M/1 was second USA from Connecticut, and NR5M from Texas was third place USA. RT4F edged out OM2VL by a fraction of one percent for European bragging rights.

### Single-Operator Single Band

PX5E (PP5JR) nosed out CX5W (CX6VM) for 10-meter honors. CR3A (CT3DL op) ran away from the pack on 15 meters. P41A (P43A) had the top 20-meters score. John, KK9A, didn't go to P4, but stayed home in NC and won the USA on 20 meters. YT8A (YU1EA) and S50A

were the standouts on 40 meters, while 4L5O won 80 and LY7M put up the top score on top band.

#### **Single-Operator Low Power**

The most popular category is single-operator low power all band. This year, nearly 1,500 people chose this classification. Rob, NH6V, used KH6LC's fine station to win the world. Ed, N1UR, used his NV1N alias to chalk up second place worldwide from his Vermont home. Rob was able to garner 500 more 10-meter contacts than Ed, and that made the difference. XR3Y, RV9CBW, and RT9S were all within one

percent of each other in positions three through five, while ON4EI piloted EI1A to sixth place overall and tops in Europe using green energy. In the USA, NV1N's score was nearly the total of the next three entrants: KU2M, NA8V, and KS9K. Hartwig, DL7BC, packed his suitcase for Mayotte and brought home the Contest Expedition trophy as TO7BC.

You can have a lot of high-powered fun running low power on a single band, especially if you choose the right band. ZY2WPX's score would have been fifth HP 10 meters. Not only that, but he also had the second highest LP score in any category, only 10% less than NH6V's top all band score. On 15 meters, YV5KG beat out D3AA. YW5T (YV5JBI) was the man on 20. YY4DNN's low-power 40-meter score would have been third overall high power. On 80, the top six scores came from Europe, headed by II3M. If you're going to operate 160 SSB LP, you had better be in Europe. 9A2AJ's score was the second highest unassisted 160-meter score overall.

## **Single-Operator Assisted**

794 entries reported using QSO alerting assistance. Worldwide, P40Z had an impressive all band assisted score, just 700k less than P40L's unassisted score, while WU3A/1 was tops USA. A lot of action took place in the assisted single band categories as well. LW6DG took 10-meter honors. All other assisted single band champions were located in Europe: DQ8N (DL2ARD) edging past 9K9K (9K2RR) on 15; ED8W on 20; IR2R (IZ2EWR) on 40; DR1D (DL1NX) on 80; and S56P beating out EU3AR on 160.

EO3Q (UR3QČW) had the highest all band low power score in Europe, assisted or unassisted. Having a South American QTH is important if you wish to score big on 10; LO5D (LU8EOT) beat PY1NX. HA4XH was king of 15 meters LP assisted, while YT5CT (20), S57DX (40), SV5DKL (80), and E77EZ (160) were the remaining LP assisted winners.

### Single-Operator QRP

254 hardy individuals used 5 watts or less. YW2LV (YV5YMA op) ran away with the QRP all band category in 2013. This is his third time topping this category. Ymanol also won in 2007 and 2010. Look out for him in 2016! NØKE at PJ2DX may have been far enough south, but Ymanol's mountain-top location made a big difference. N2WN stayed home in Tennessee to capture the USA QRP crown. Only 8 operators chose to enter the new QRP all band assisted category vs. 112 QRP all band unassisted. I guess the moral of the story is: If you're tough enough to do it with 5 watts, you're tough enough to do it alone.

N1TM

Some noteworthy QRP single band scores were posted by JH7RTQ and R7NA on 15, HG3M (HA3MY) on 20, and HG6C (HA6IAM) on 40. S57SU and SQ9ORQ showed what perseverance can do with 5 watts SSB on 80 meters.

WØYR/4

#### **Overlay Categories**

.702,336

WA2JQK.

The Rookie overlay category was established to encourage recently licensed hams to try the contest experience. This year, 251 entries checked this overlay category. Just one fifth of the Rookies entered an assisted category, about the same number that used high power. UA5B put up 8.98 meg and AB1OC 1.883 meg; HZ1XB, NR6M/7, and NZ9Y/Ø were also "millionaires" in this category. AG6AN and WW1MM (N1EN) were fighting it out in the Rookie Low Power category. UN8GV had a fine 2.6 meg on 15M.

The Tribander/Single-Element overlay category recognizes that many stations face space constraints for antennas. 849 entrants selected this overlay. VE3DZ led the world in this cat-

egory, with ZL3IO having the top low-power score. NXØX was the leader among the USA Tribander/ Single-Element competitors. KU2M had the highest USA low power score.

.3,060,873

### **Multi-Operator**

P33W set a new high-water mark in the Multi-Operator Single-Transmitter category, while EB8AH also bested the previous mark, with H27A a close third. Speaking of the M/S category, the guys at D4C had planned on a M/S effort with four operators, but the hours leading up to the contest were so good they couldn't resist the urge to go for the M/M record with just three stations and four operators. D4C totaled nearly 90-million points in the M/M category to demolish EB8AH's record set only last year. They also set a record for the most prefixes worked—1926. K1LZ and KM3T/1 were the big dogs in the USA M/S.

There was plenty of competition in the Multi-Operator Two-Transmitter category as well. RF9C beat TM6M for overall bragging rights, while A71AM took honors over 9K2HN in Zone 21, and

PI4DX nosed out PI4CG in another neighborhood rivalry. K9CT won USA from his fine Illinois station.

Multi-Multi and D4C—what else is there to say? Well, it took nearly 23-million points to make the top ten, so there was a lot of other activity in this category. There are fewer M/M stations stateside for this contest because of the difficulty in keeping the 80 and 160 stations busy working DX this time of year. But WX3B nipped NQ4I by less than a half-million points.

#### Records

The high overall level of activity is reflected in several new records: CN2R (World SOAB HP), P33W (World M/S), D4C (World M/M), K1LZ (USA M/S), 4L5O (Asia 3.5), 8P5A (North America SOAB HP), RF9C (Asia M/2), HK1NA (South America M/2), Highest Prefix total: D4C (1926). Records for all of the var-

ious categories and countries can be found at <www.cqwpx.com/records.htm>.

#### Miscellaneous Statistics

Only 31 stations entered the M/M category, but they made 147,998 QSOs. That's an average of 470 QSOs per operator (315 total M/M ops). The 198 M/S stations were staffed by 879 operators, who averaged 320 QSOs per person. To put this into perspective, the median sized log for all categories of stations reported making 182 QSOs. The four operators at D4C made the most QSOs. 12.866.

Low-power entries were submitted by 2,954 single operator stations, while 1,724 used higher power and 254 went QRP. Overall, unassisted operation was favored by a solid two to one margin, 3,335 to 1,597. High-power stations narrowly favored

unassisted (930 vs.794) while low power operators overwhelmingly endorsed the "boy and his radio" style of operation (2,185 unassisted vs. 769 unassisted) and the QRP ops voting 220 to 34 for the unassisted style of operation. Even rookies were four times more likely to be operating without than with assistance.

#### **Final Observations**

The CQ contests have grown so popular that the number of pages required for properly reporting the activity has mush-roomed. Therefore, the line scores traditionally found at the end of the magazine

have been moved to CQ magazine's website, <www.cq-amateur-radio.com>, as well as the WPX Contest website, <www.cqwpx.com/results.htm>. In addition to the searchable databases on the WPX Contest website, complete PDF versions of the printed article, including line scores, are available through both websites. Assisted stations' line scores are now found immediately after the singleoperator unassisted line scores for each call area or country. Logs received after the official deadline are shown in italics in the line scores and are not eligible for any awards. For the QRM and expanded tables plus the list of operators of the multi

## CQ WW WPX SSB CONTEST ALL-TIME RECORDS

The contest is held each year on the last full weekend of March. The All-Time Records will be updated and published annually. Data following the calls: year of operation, total score, and number of prefix multipliers.

stations, also go to the CQ magazine website listed above.

There are a number of volunteers who make this contest possible. Randy, K5ZD, has been the director of this contest for the past five years, and has done everything possible to make the transition seamless to the participants and painless to me, the new director. The software support from K1EA and K5TR enabled the timely processing of your logs. N8BJQ, K3WW, K5ZD, and WI9WI provided the skilled personal analysis of the logs that computers alone cannot provide. Barry,

W5GN, prints and mails your certificates, and Doug, K1DG, handles the plaques, both in a very timely manner. Paper logs were manually entered by K9QVB, K9ZM, KC9EOQ, K9WX, N9LF, KB9OWD, W7KAM, and N4TZ. K5ZD runs the outstanding CQ WPX website.

The 2014 CQ WPX SSB Contest will be held March 29–30. The log deadline is five days after the conclusion on the contest, April 4 at 2359Z. Updated rules will be published in the February 2014 issue of *CQ* and will be posted on the websites mentioned above. —73, Terry, N4TZ

#### **SH3Y Youth Team**

A Multi-Multi international youth team consisting of youngsters from Finland, Belgium, Holland, Estonia and Sweden got together at the SK3W contest station using the call SH3Y. Team members were as follows: SA0ACT Mattias, SAØCAV Alexander, SAØCAD Andreas, SAØBSJ Joakim, SA7BUU Jennifer, SA7BQP Per, OH2FKX Kati, OH2FPK Mari, ES7GM Kristjan, ES1TRE Kristjan, PA2LS Lisa, ON3LOL Maarten, SA3BRX Joel, and SA3BPG Markus.

Conditions were not so good. But the team did well and ended with a score of over 10.5 million points, setting a new national record in Sweden. The spirit in the team was very good and despite some failures of amplifiers and interfaces they did a fantastic job.

The support team was SM3SGP Gunnar (owner of the contest station SK3W), SA5BJM Johan (Team Leader and organizer of it all), SM5EPO Per-Olof, SMØDZB Tore, and SM5CBM Bertie who made sure there was food on the table, fixed broken amps and provided general ground support. But the youngsters did all the rest, handling the pile-ups and logging all of the stations working SH3Y.

—Bertie Hayden, SM5CBM

SH3Y operators. This photo appeared in Swedish Ham Magazine as front page, according to SM5CBM. (SM5CBM photo)
